Lot people delay their verdict; let newspaper writers and politicians endeavor to break up discontent and suspicion. We act mostly on general bills. No private land bill has yet passed finally; and private legislation has certainly not incumbered this Legislature; and the school bills, school land bills, for the cale of said lands and University lands are of great importance. There is every recent property is a property of the control of ture; and the school bills, school land bills, for the sale of said lands and University lands are of great importance. There is every prospect that the important neasures will go through at an early day, and we will the word in about a month.

dlowing is an extract from a letter dated Valparaiso,

To the Editors of the Democratic Stateman.—I received a copy of your paper of February 21, and in perusing the same, I noted your article entitled "What decour people think of it." If I can see proper encouragement from your people, I would pay them a visit, and if every thing was favorable, would locate my mill at your city. The benefits of a mill for the manufacture of paper to your city are several, the most important if which is this, the maintain essaumed is preheased at home.

City Council.

CITT COUNCIL CHAMBER AUSTIN, March 23, 1874. At the special meeting of the City Conneil last eve alog, Mayor Wheeler in the chair, Aldermen Board man, Bremond, Brueggerhoff, Mitchell, Metz, Robin son, Scholz and Todd (8) were present, and Alderme Christian and Dohme (2) absent on the calling of th

The petition of A. G. Buddington for permission to continue the exection of his sheet-from bullding on Pecan street, in Ward Nine, was read. The petitioner said he was having the building erected, when he was stopped, because it was not going up, as he had been informed, in accordance with the estimance governing the erection of buildings within the fire limits of the city. His object was to sell mest in the building when completed. He requested to be a lowed to go on and complete the building, with a view to using it only until the date of expiration of his license.

The Mayor stated the license of Mr. Buddington would expre on the slateenth of next July.

On motion of Alderman Bremond, the petition was laid on the table, on the ground that there was a general law governing the matter which must be enforced. rai law governing the matter which must be enfo

FIRE DEPARTMENT. He was restored by the prompt attendance of the jatior, who was attracted by the cries of the prisoners generally.

Gerr Shor.—About II o'clock yesterday morning, two men entered the store of J. H. Wells, on Congress Avenue, and after talking a while one reached over the counter and got shot at twelve and a half cents a pound.

There is no proposition was laid on the table, on the ground, "we, too, have an A I hand engine to sell."

Alderman Brueggerhoff, from the Finance Committee, presented a proposition of C. M. Hyatt, agent of the Champton Fire Extinguisher, to sell the crity one of their extinguishers. The proposition was read. Mr. Hyatt proposed to have a man come here with the machine to operate it when on trial.

On motion of Alderman Bremond, the proposition was read. Mr. Hyatt proposed to have a man come here with the machine to operate it when on trial.

On motion of Alderman Bremond, the proposition

On motion of Alderman Bremond, the proposition was accepted. The year and mays were called. The yote was unanimously in the affirmative. RED RIVER STREET. On motion of Alderman Boardman, the Mayor was authorized to issue bonds to pay for the work on the ap-proaches to the bridge on Red River street.

PINANCIAL. The Mayor nominated Francis Forster for financial gent of the city,
Alderman Beneggerhoff suggested the nomination
be "Forster, Ludlow & Co." The Mayor then made the nomination in accordance ith the suggestion.
Alderman Bremond moved the confirmation of the tion was confirmed.
On motion of Alderman Brueggerhoff, the Finance Committee was Instructed to confer with Messrs.
Forster, Ludlow & Co., and fix the amount of bond to be given by them, and the commission they receive.
The Mayor was added to the committee for the pururer, Commissioner of the Land office and Secretary of
